

# Centurion Editorial Calendar 2023

CENTURION & DEPARTURES MAGAZINE

## APR / MAY ISSUE

### GREAT ESCAPES

Travel is on our mind as we explore various corners of the globe, spotlighting destinations that cater to both body and mind – whether through standout wellness facilities or holistic 360-degree approaches. We also look behind the scenes for deeper perspectives from the people and personalities that shape the industry.

### PLUS GOLF IN FOCUS

An exploration of all the latest in the golf world, from new equipment to course-side real estate.

## JUN / JUL ISSUE

### INTERNATIONAL STYLE

Watches take centre stage, as the classic Swiss makers continue to produce handcrafted masterpieces. Additional focus on trends in bespoke suiting, the latest accessories and the expanding importance of having a true sense of style for hotels across the globe.

## SEP / OCT ISSUE

### MEANINGFUL MOMENTS

From travel to jewellery to gastronomy, we are increasingly making decisions based on criteria that transcend hedonism. A spotlight on the philanthropists, goodwill projects and sustainability measures that are changing our world.

### PLUS YACHTING NOW

A thorough overview of the industry, from new builds to charter and itineraries.

## NOV / DEC ISSUE

### ART OF THE CRAFT

The details count for everything when it comes to the finest creations in the world. We meet the inspiring artisans and artists who are crafting groundbreaking works, be they furniture, accessories or fine art pieces.

## ANNUAL ISSUE

### THE COMPENDIUM

This special annual issue serves as our wide-angle assessment of the year that lies ahead. It is an assiduously curated planner tracking the changes in the fields and sectors we regularly cover, complemented by a comprehensive selection of the coming year's most captivating innovations, trends, experiences and insights.
